Dear Mr. Croda:

Enclosed is a complaint indicating that your GMRS repeater is malfunctioning and re-broadcasting the transmissions of other radio services. The complaint also indicates that you have been made aware of the problem but have not taken corrective action.

Section 308(b) of the Communications Act of 1934, as amended, 47 U.S.C. § 308(b), gives the Commission the authority to obtain information from applicants and licensees about the operation of their station and their qualifications to remain a licensee. Accordingly, you are requested to respond to this office within 20 addressing the issues raised in the complaint.

Please call me at 717-338-2502 if you have any questions about this matter.

Sincerely,
