RE: Unlicensed Operation in the General Mobile Radio Service: Case #EB-2005-6014
Advisory Notice

Dear Sir:

Enclosed is a complaint indicating that employees of Best Western Midway are operating radio equipment in the General Mobile Radio Service and causing radio interference to licensed radio users. Our records do not show a license issued to Best Western Midway.

Unlicensed operation is a violation of Commission rules and may lead to a monetary forfeiture (fine). Please contact this office at 717-338-2502 at your earliest convenience for information regarding eligibility and licensing for licenses in the General Mobile Radio Service.

Sincerely,

A handwritten signature in black ink that reads "W. Riley Hollingsworth".
