RE: Radio Transmissions in the General Mobile Radio Service; Case #EB-2005-6006

Dear Ms. Latiff:

Enclosed is a copy of a complaint indicating that the Indian Springs Elementary School custodial department is using General Mobile Radio Service (GMRS) transmitters. Section 95.5 of the Commission's rules, 47 C.F.R. § 95.5, allows individuals to obtain a GMRS license. There are certain exceptions in Section 95.5 for non-individuals. Our database does not indicate that a GMRS license has been issued to Indian Springs Elementary School.

Please contact me at 717-338-2502 at your earliest convenience so that we may discuss this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "W. Riley Hollingsworth".
