Greetings,

Musicians & Bands:

I have started an on-line radio station as of January 01, 2008 in Hemet, CA. Thus, I am requesting the use of your Copyrighted music to promote your talent. If you grant permission, I will play your music and promote your name. There would be no financial compensation for you, however, I will be happy to tell listeners how to contact you, purchase your music, or other information you wish to share. I intend to play a wide variety of musical genres, as well as invite artists to be interviewed.

Please respond to this e-mail, or you may contact me toll-free at 1-866-330-5470. You may also send CD's for permitted air-play to: Radio94X.com, c/o Ken Whitmire, 140 E. Stetson, PMB 272, Hemet, CA 92543-7139.

To listen to [Radio94x.com](http://www.radio94x.com) go to: <http://www.ubroadcast.com/> and download the ubroadcast player (only works with MS Windows at this time). After you install the player, go to the stations tab (click on it) you will now see a box with two digits but remove those and type in 5575. Next click the "jump to" button which should take you to my station!

Sincerely,
Ken Whitmire
